A TREASURE TROVE OF FREE IMAGES FOR DIGITAL CRAFTS

Maureen “Mo” Gilmer

Thirty years experience in landscape design and horticulture is the foundation for Maureen “Mo” Gilmer’s success as one of America’s top garden communicators. Among her many accomplishments are fifteen books, a nationally syndicated column, and national television show. Her dedication to empowering people to create more beautiful and satisfying gardens inspired Mo to develop the new E-Book Series: *MoPlants Garden Guides. Online Botanical Illustrations: A Treasure Trove of Free Images for Digital Crafts* is designed to help you discover Mo’s favorite treasure troves of free botanical pictures to give your decorations and crafts an unmistakable garden style.
