

ROCKY MOUNTAIN

CONCOURS D'ELEGANCE AT THE BROADMOOR HOTEL

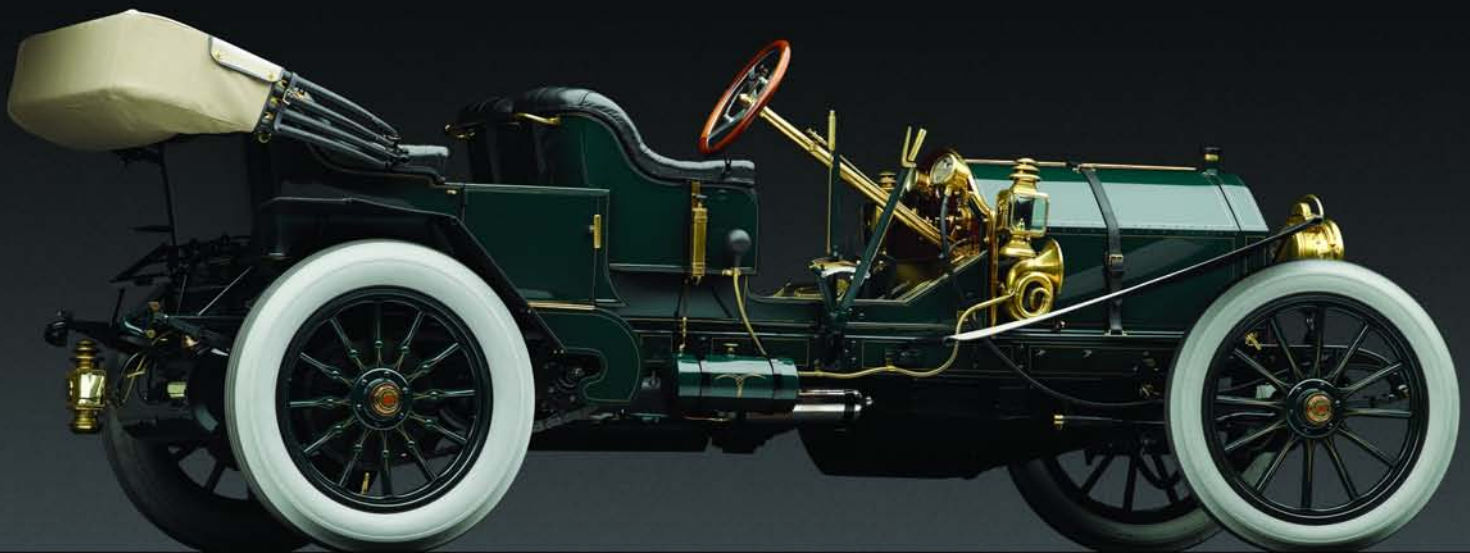

September 1-2, 2007

The Rocky Mountain Concours d'Elegance, is set at the luxurious and internationally renowned Broadmoor Hotel. Located in Colorado Springs at the foot of the Rockies, in the shadow of Pike's Peak.

Our weekend begins with the "Tour of the Gods" that will wind through the foothills into the picturesque Garden of the Gods. Later that evening, join us at The Broadmoor for cocktails, a gourmet dinner and auction to benefit local charities.

On Sunday, in an unprecedented event, an exclusive field of automobiles and motorcycles, highlighted by our featured marque, Mercedes-Benz, will be on display on the West Golf Course. In a tribute to the late Otis Chandler and his automotive legacy, vehicles from his former collection will be on exhibit.

We would be honored by your presence and participation in our inaugural Rocky Mountain Concours d'Elegance, so please, join us in September as we celebrate a true competition of automobile excellence.
